

Greater Cleveland Council Shooting Sports

SENIOR PATROL LEADERS, CREW PRESIDENTS, SCOUTMASTERS, AND ADVISORS

Did you know that your Troop or Crew can schedule your own time on the rifle, archery, or shotgun ranges at Beaumont Scout Reservation? If your Scouts, Venturers, and adults are interested in learning to shoot, completing a shooting sports merit badge, holding a competition, or safely having fun on the range, you can plan a shooting sports activity at Beaumont Scout Reservation. Troops or Crews can provide their own certified Range Safety Officers and Instructors or we can connect you with volunteer Scouters who have years of experience teaching Scouts of all ages to enjoy and appreciate the challenges of shooting sports in a safe environment.

These events require advanced planning and there are many ways to customize your experience for your Troop or Crew.
